

WILSON – PLAY TO THE MAX! 10-YEAR WARRANTY!

Promotion extended until the end of 2026

Wilson continues its promotion with a 10-year warranty on passive speakers

Warsaw, December 29, 2025 – We are pleased to announce the continuation of the promotion extending the warranty protection of all Wilson passive speakers for another year, until December 31, 2026.

The 10-year warranty protection is completely free of charge and valid in all sales channels and countries where our passive speakers are offered.

Wilson is one of the few speaker brands that cares for the comfort of its customers in this way, providing above-standard service protection at no cost for 10 years.

The rules are also simple and have remained unchanged for years. Simply purchase any Wilson passive speakers **by December 31, 2026**, at any store, and they will be protected for 10 years from the date of purchase.

The only condition is to keep the proof of purchase and the warranty card received with the speakers. The speakers will be automatically protected for 10 years in accordance with the terms of the promotion from the date on the document, and in the event of a defect covered by the warranty, please contact our service center – all information can be found at www.horn.eu in the "Service" section.

We wish you many years of excellent listening experience with our products!
